Introduction

World Café Discussion

- The plan:
 - Hold an all-day meeting from 10:30am – 3pm in the GOB 450 Room
 - World Café will be Wednesday September 16th
 - Need 16 volunteers (Would like all of HV Workgroup and some CBEC members) to help
 - Looking to invite 48 stakeholders, from state and local levels
 - There will be 8 tables set up with 2 volunteers (Note Taker and Facilitator) that will hold discussion on a particular topic. The 8 topics are from Table 1, Key Areas from the OSEDA report.
 - Lunch will be provided and mileage will be reimbursed.
- The purpose is to get stakeholders to discuss their perspectives on the 8 topics defined in the ZTT tool. This input will be used to inform the “intended goals and outcomes of a coordinated early childhood home visiting system in Missouri” as charged in the OSEDA report. Information taken from the World Café will be used to proceed with the OSEDA Recommendations.
- Workgroup will use information to analyze local input to make future recommendations.
- Next Steps:
 - Place World Café on Executive Committee’s Agenda June 19 planning call
 - Verify the HV workgroup is allowed to use such a large amount of the budget.
 - Might have overestimated on budget
 - Possible Virtual World Café for a small group that could not attend.
 - Look into getting OSEDA contact list
 - All workgroup members to send contact information (Name, Email and Phone) from list of possible attendees to Justin by **June 9th**.
 - If CBEC approves World Café, next meeting will be in late July to discuss questions at the World Café.

Ended meeting at 10:51am.
