PD Work Group Meeting
March 1st, 2011
10:00-2:30
Center for Family Policy & Research
1400 Rock Quarry Rd. (Entrance 6)

1) Volunteer to take minutes?
   - Agenda addition:
     o Carol distributed document with upcoming events.
     o Kathy – announced the coming of the Toddler CLASS training.
     o Carol – Respite for military families – grant
     o Stacey – OHS released new Outcomes Framework – 3-5
     o Rhodanne – HS is doing CLASS training also; will offer Advanced Home Visiting in May.
     o NAEYC PDI – June 11 – Providence, RI – what is recommendation of this group? Should we put together a team?? Need to take a recommendation to the CBEC.
2) What is happening with PD in Missouri? – Power Point – see attached.

   - Context (puzzle/matrix)—Kathy - Val will send out current version.
   - Draft of Vision, Mission, Guiding Principles—Carol and Kathy – slides 7-10
     o CS – is vision for the system or for people served by the system? Will work on this at March 10 meeting. Will take drafts to work from.
     o KRT – do we want values or guiding principles? Who should be served as a part of the system?
     o Move "aligned with K-12, etc." from vision to guiding principles.
     o Discussion/decision to use the first bullet – the vision is for the system, not the workforce. Add identifier re EC and Youth.
   - Head Start T & TA system—Rhodanne (slides 12-23)
     o Sarah Mills and Rhodanne
     o Overview of HS TA system and priorities
   - Youth Development PD Overview—Jeff and Cindy H (slides 24 – 29)
   - Program Data Collection Infrastructure—Terri (Slides 80 – 88)
   - Calendar/PARS data work—Margo and Terri (slides 67 – 79)
   - System Development Plan/Process—Becky H (slide 11)
     o Discussion of original idea around formalizing steps to work toward combining funds from all depts.
     o Now taking a couple of steps back – need to educate state dept directors.
     o Still have a timeline. Hoping to have something in place by 2013, but not sure about that now.
   - PD Portal—Carol and Terri – (slides 30 – 45)
   - Trainer Authorization—Terri (slides 46 – 52)
   - EC Assessment (DESE)—Kathy (slides 89 – 94)
   - Training Approval—Sanaria and Julie (slides 53 - 66)

- Core Knowledge Curriculum—Carol (slides 95 – 101)
- EC Program Standards—Jo Anne (slides 102 – 104)
- EL Standards/Guidelines—Kathy and Jo Anne (slides 105 – 108)

3) Finalize agenda/details for the March 10th meeting: Pieces and Parts of a Professional Development System: Part II

   a. 9:30-10:30 session—Stacey and Cindy H – the catch up session if did not make it on 10/14. 75 Registered.
   b. 10:30-12:00—Carol and Kathy – 112 registered.
   c. 12:00-12:45—lunch break
   d. 12:45-3:00—Work Groups

   A-Early Childhood Certification and Articulation Issues
   The early childhood community has embraced a goal of developing a systematic approach to professional development that supports lifelong learning, is intentional, and provides diverse opportunities to learn and practice new skills according to a clearly articulated pathway. This session will tackle certification and articulation issues and the supports needed to improve our pathways.

   B-Clock Hours of the Future: What's Coming?
   New systems are being developed to improve the clock hour training required for licensure of programs in Missouri. This session will preview upcoming quality assurance strategies: training approval and trainer authorization.
