

# FFY 2020 VOCA Award

## VOCA

### Overall Dollar Numbers for Consideration

Category	Funding Amount
Proposed Funding for the period of time 11/1/2019-9/30/2021	\$80,515,105

### Award Considerations

- Preference for existing recipients when feasible for agencies with history of providing services
  - Agency considered current expenditures through June 30, 2019 in comparison to award through June 30, 2019
- 10% Funding Requirement for priority categories
- Regional Service Availability
- Regional Parity Efforts
  - Influx of violence in urban areas
  - Availability of services in rural areas
- Additional considerations:
  - Original Award 11/1/19
    - Further reductions where proposals were greater than funding requirement
      - 10% reduction for scores under 70
      - 5% reduction for scores under 90
      - No reduction for scores 90 and above
  - Revised Award 11/7/19
    - After receipt of feedback and review of award, existing agencies were held harmless to the previous contract period original award (based on monthly amount)
- Some requests were better suited for other upcoming Notices of Funding Opportunities (NFO) and will be evaluated with those awards
  - There will be a NFO for Training and Technical Assistance administrative contract

### NDI Update

- DSS is working to release additional NDIs consistent with language in the 2020 Budget Book
- NDI's will address Trauma Informed School Liaisons, Hospital-Based Victims Advocacy, Human Trafficking, and other unique projects
- NDI's will be release over the next 3 months to allow time to issue and evaluate NFO
- The NDI's were appropriated in HB11 section 11.200 and must be competitively bid

I hereby attest that the subjective points assigned to each offeror listed above were scored pursuant to the established evaluation criteria and represent my best judgment of the subjective areas of the offerors' proposals. I have attached a brief written narrative, which highlights the reasons for my evaluation of the proposals as indicated by the scores above. My comments represent my opinion only and do not represent the position of the Division of Purchasing, the State of Missouri, or any other party. In addition, I understand that the MBE/WBE participation points, cost points, any Blind and/or Sheltered Workshop preference bonus points, and any Missouri Service-Disabled Veteran Business preference bonus points will be calculated and added by the Division of Purchasing to arrive at the total points. The offeror with the highest total point score will be my final recommendation of the lowest and best proposal.
