## INSTRUCTIONS FOR COMPLETING THE APPLICATION

The Health Insurance Premium Payment (HIPP) Program pays for the cost of health insurance plans when the Department of Social Services decides it would cost less to buy health insurance to cover medical care than to pay for the care only with Medicaid funds. To be eligible for the Health Insurance Premium Payment (HIPP) program, some or all of the persons covered under an insurance policy must be eligible for Medicaid.

### WHO MUST APPLY?

You **must** apply to the HIPP program if all of the following are true:

- ☒ You or a member of your household is applying for Medicaid or are Medicaid-eligible (excluding spend-down)
- ☒ You or a member of your household is employed or lost employment within the last thirty days, and
- ☒ The employer or former employer offers **group** health insurance coverage.

If the Department of Social Services decides the health insurance plan is cost-effective, you **must** participate in the HIPP Program.

**Applicants', recipients', parents', guardians' or caretakers' Medicaid benefits may be denied or canceled if the applicant, recipient, parent, guardian or caretaker does not provide information necessary to establish cost effectiveness or does not enroll in a group health insurance plan that the Department determines is cost effective.**

### WHO CAN CHOOSE TO APPLY?

You can choose to apply to the HIPP program if you or a member of your household is applying for Medicaid or are Medicaid-eligible (excluding spend-down) and have health insurance available from sources **other than employers** (personal policies, credit unions, church affiliations, memberships in organizations, etc.) If the Department determines the health insurance plan is cost effective, Medicaid will pay the premium.

- Section 1.** List the following information about the **policyholder**. Name, social security number, address, and telephone number. If you do not have a telephone, list a number where you can be reached or a message left.
- Section 2.** List the name, premium mailing address and telephone number of the insurance company, the policy number and the policy group number for any insurance you currently have or any insurance offered by your employer or some other source. If your employer or former employer **does not** offer group health insurance, write "no insurance available" across section 2, then sign and date the application.
- Section 3.** List the name and birth date of everyone in your family who can be covered under this policy, including the policyholder. Check one box (Yes or No) to indicate whether the person is currently on Medicaid. If a box is marked yes, write the person's Medicaid identification number (DCN) listed on their Medicaid card. If they have applied for Medicaid and do not know if they are eligible, the APP (for Applied) box should be checked. List the social security number for each individual.
- Question 4.** Indicate whether you are currently covered by this insurance policy.
- Question 5.** Indicate whether your spouse or children are currently covered by this policy.
- Question 6.** Indicate your current employment status.
- Question 7.** Indicate if this insurance is through your current employer, a former employer (such as a COBRA plan), or an insurance plan you have purchased on your own.
- Question 8.** Indicate the amount of your share of the premium for medical, dental or vision coverage.
- Question 9.** Indicate if your premiums are currently paid through payroll deduction, direct payment to the insurance company or direct payment to the employer.
- Question 10.** List how often a premium payment is due. For example: monthly (once a month), biweekly (every two weeks), semimonthly (twice a month), weekly (once a week), quarterly (every three months).
- Question 11.** List the date your next premium is due.
- Section 12.** List your employer or former employer's name, address and telephone number. Employers are contacted to verify payroll deductions, rates, etc.
- Signature:** Sign and date the application form at the bottom.
