Dear

The following children are presumptively eligible for MO HealthNet for Kids coverage based upon income information provided. Their coverage will continue until a decision is made on eligibility for on-going MO HealthNet for Kids. MO HealthNet for Kids coverage can pay for covered medical services only when the medical provider you use accepts MO HealthNet payment on a fee-for-service basis.

The MO HealthNet for Kids application you completed has been forwarded to the MO HealthNet Service Center for evaluation. You will be notified of the decision in the children’s eligibility for on-going coverage.

You will receive a white MO HealthNet card in approximately five days for each of the children listed below. Until you receive the white card(s), use this letter when you take the children to your doctor, pharmacy or other medical service provider. If you have questions about MO HealthNet providers or how to get MO HealthNet services, please call the MO HealthNet Participant Services Unit toll-free number at 1-800-392-2161.

If you have questions pertaining to continuing MO HealthNet for Kids eligibility, please call the MO HealthNet Service Center toll free number at 1-888-275-5908.

Qualified Entity:		Date:	
<u>CHILD’S NAME</u>		<u>MO HealthNet Number</u>	<u>BEGINNING DATE OF COVERAGE</u>

Starting with the beginning date, this form guarantees coverage for a minimum of five days even if eligibility is not confirmed by the MO HealthNet system on the date of verification. The beginning date counts as day one.

MO HealthNet for Kids Provider: If more than 5 days from beginning date of coverage, use the MO HealthNet Participant Services Unit number listed to check to see if the child is eligible.
