<p>Simplified Reporting EUs include all EUs except:</p> <ul style="list-style-type: none"> • Migrant/seasonal farm workers. • EUs in which all adults are elderly or disabled and there is no budgeted earned income. 	<ul style="list-style-type: none"> • Change in total EU income that causes the EU's gross monthly income to exceed 130% of poverty is required to be reported. • ABAWDs must report when the number of hours worked or participated in a qualifying training activity fall below 20 hours per week. 	<ul style="list-style-type: none"> • Take appropriate action to determine continued eligibility and benefit amount. 	<ul style="list-style-type: none"> • EU voluntarily requests case be closed, <ul style="list-style-type: none"> ◦ Close case. • If there is a change in the Income Maintenance grant for an in-combination case, <ul style="list-style-type: none"> ◦ Make corresponding adjustment to food stamp case. • For changes reported that are considered verified upon receipt,** <ul style="list-style-type: none"> ◦ Adjust the food stamp case. • Changes that are reported that are not considered verified upon receipt, <ul style="list-style-type: none"> ◦ Determine if the change results in an increase or decrease in benefits. If increase, <ul style="list-style-type: none"> ◆ Request verification, if required, ◆ Take appropriate action. ◦ If decrease, <ul style="list-style-type: none"> ◆ Take no further action unless required by policy to take the action.

*When an EU changes from the reporting requirement for elderly/disabled EUs or migrant/seasonal farm worker EUs to the simplified reporting requirement, the new change reporting requirement becomes effective the month following the month in which the adjustment and notice to the participant is completed, provided the EU will continue to be certified for an additional six months.

Information is considered verified upon receipt if the information is not questionable and the provider of the information is the primary **source of the information. For example, SDX, Bendex, disqualifications, and end of eligibility based on non-work months are considered verified upon receipt. New Hire Match information is an example of information **not** considered verified upon receipt.
