Dear EBT Cardholder,

Our records show that you have gotten X EBT cards in the past twelve months. This is a high number because your EBT card is designed to last for years without the need to replace it.

We will be checking your EBT account. If you continue to ask for replacement cards, we will investigate your case to ensure that your card is not being used in fraudulent activities.

Listed below are violations of the Food Stamp Program. It is considered Misuse or Trafficking of Food Stamp benefits if you do any of the following with your EBT card:

- 1. Sell, trade, or give it away
- 2. Purchase alcoholic beverages, tobacco, or other non-food items
- 3. Trade it for illegal drugs
- 4. Trade it for firearms, ammunition, or explosives
- 5. Use it to pay on a credit/charge account regardless of the items that were charged
- Allow a non-household member to use the EBT card to buy groceries for themselves

If you are found guilty of any of these, the penalties could include removal from the Food Stamp program, jail time, or fines.

If you have questions about this letter, please contact the FSD INFO Center at 855-373-4636.
