Public Notice

Pursuant to the provisions of Title 42 Section 441.304(f), Code of Federal Regulations, public notice is given regarding the submission of the newly developed Structured Family Caregiving Waiver application. The Centers for Medicare and Medicaid Services (CMS) requires states to obtain public input during the development of a waiver, a waiver renewal or a waiver amendment with substantive changes. Stakeholders are being asked to provide public input and comment in order to allow Missouri to submit this waiver application.
