AUDIT FINDINGS

NARRATIVE

Green Gables Lodge was audited January 26, 2015 by DOJ PREA Auditor Kevin Maurer. Prior to the on-site audit, a review of all pre-audit documents was completed. During the initial audit meeting, Trichia Long, Assistant Regional Administrator, and Tristan Potter, Youth Facility Manager, were present. A facility tour was conducted, which included all buildings, rooms, and grounds of the program's facility. During the tour, it was noted that the Notice of PREA Audit and other PREA related materials were posted in several locations.

Interviewees were identified from a list of staff and residents. The interviewees included all residents (5) and 9 staff. In the past 12 months, there were no reported allegations of sexual abuse or sexual harassment. Additionally, there are no residents who identified with being LGBTI.

It should be noted that the staff of Division of Youth Services (DYS) and Green Gables Lodge were very well prepared and organized for the on-site audit, and all pre-audit materials were in order and well highlighted. This shows the dedication and concern for the PREA program from both a corporate as well as a program level.

DYS Policy 9.18 mandates that any resident found in violation of the facility's zero tolerance policy against sexual abuse, assault, conduct, or harassment will be offered therapy counseling or other interventions designed to address and correct the underlining reasons for their conduct. It is possible that when a resident on resident sexual assault is substantiated, the perpetrator may be moved to a different facility. This may not involve a return to the juvenile court system, and therefore would not be a requirement to register as a sex offender. If new criminal charges were filed by the Juvenile Court for that county, the court would determine the requirement to register as a sex offender.
